

BRADFORD HARDWARE

UPDATE: March 20th, 2020

We wanted to give you an update on our services during this unique time. We're trying to keep our business running as best as we can, and have implemented new ways to serve you.

Our showroom remains closed, and will continue to provide quotations and accept orders by email. If you have a preferred sales associate, please feel free to email them directly otherwise contact sales@bradfordhardware.com. Please be patient as email response times may vary. We have assured our staff that taking care of their families is their, and our, first priority.

Unfortunately, we will not be able to guarantee an ETA on orders that are received during this uncertain time. If you have an existing order and would like a status update, please contact orders@bradfordhardware.com

We thank you for your support and we apologize for the inconvenience.

We hope to see you in the near future happy & healthy, and we will provide updates on opening when we have that information.

Take good care,

The Bradford Family
