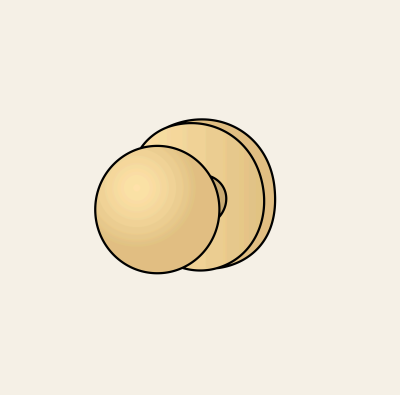
WHAT YOU SEE & TOUCH

Select your Handle

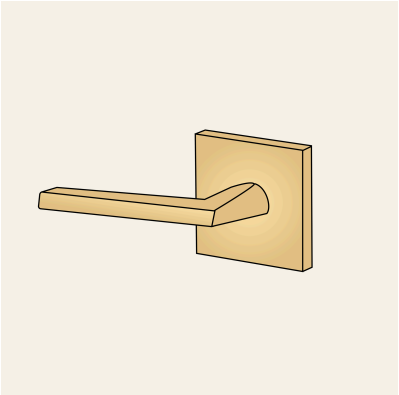
The part you see and touch every day — choose based on style, comfort, and door type.

INTERIOR



Knob

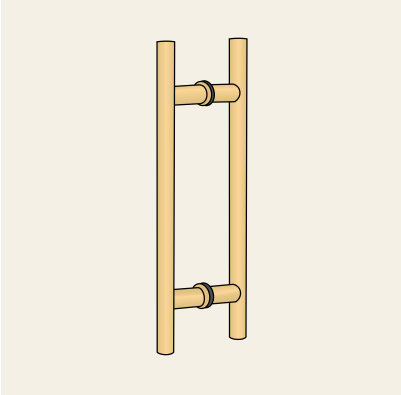
Classic spherical shape. Timeless and familiar.



Lever

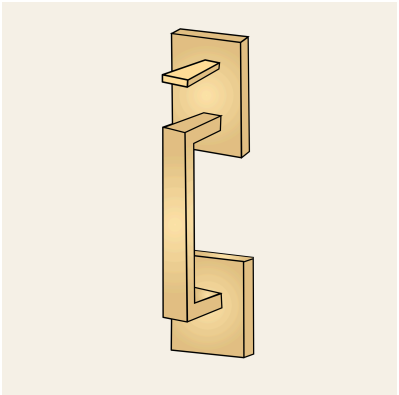
Modern and ergonomic. Accessible and versatile.

ETNRY



Pull

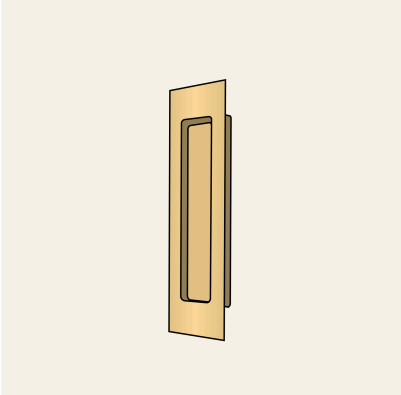
Vertical bar. Architectural presence on larger doors.



Grip

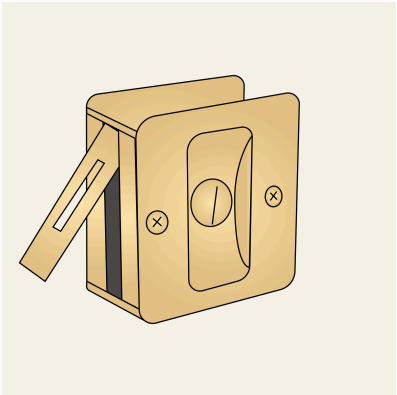
Fixed vertical handle with a thumb latch. The signature entry door style.

SLIDING



Flush Pull

Recessed pull installed flush with the door surface.



Pocket Door Pull

Recessed pull designed for sliding pocket doors.

BRADFORD PRO TIP

Levers are the most versatile choice — they work in every function, are comfortable for all users, and are available in the widest range of styles. If you're outfitting an entire home, starting with a lever gives you the most design consistency across every door.
